

# Concert Fee/Tuition; Requirements for Participation

Soloists and Ensemble:

**Attire:** Formal. You will notice from our YouTube videos that unless a costume is appropriate, most of the women wear floor length dresses while men are in suits or a dress shirt and tie. Costumes are also a good option, when appropriate.

## **Required Preparation HS Students: Performance Class and Acting Coaching.**

For high school students, it is required that you take 2 sessions with one of our acting coaches and participate in the performance class prior to the concert (see substitution possibilities).

- **Exception:** Students who are already studying acting may opt for just the class or substitute one hour of additional acting lessons focused on the concert repertoire.
- **Substitutions:** If you are out of town on the date of the performance class, you may substitute four 1/2 hour sessions or 2 full hour sessions of private acting lessons on your concert material. These lessons will be scheduled for October. Your concert material must be chosen and memorized before your acting coaching.
