

Performance Class

Summer 2019
Saturday, August 3, 1:00 to 5:30

About Performance Class:

Performance Class is held twice annually, and provides students with development of performance and acting skills as they relate to song. The primary focus varies from student to student, depending upon their level of development. The environment is supportive, and creates a comfortable setting in which to experiment with challenging performance issues away from the formal concert venue. Students will perform their piece from memory, and should be prepared to work on all aspects of their performance for the class. If the piece is in a language other than English, a close word for word translation should be prepared.

If a student's schedule requires that they perform earlier or later during the class, please let us know and we will accommodate you.

Cost, Due Dates and Credit Policy:

The cost of the class is \$85.00, whether taken alone or as part of the summer concert package. Students should have their checks in before June 1 to register. Cancellation with credit (a credit is issued to be applied to lessons) is possible prior to June 14. After June 14, credits will not be issued.

Who Attends Performance Class?

The summer performance class is available to all high school and college students at NM Productions. It is often used to help prepare for the summer concert performances, fall auditions, or simply to gain experience with performing in a supportive environment. The coaches will give valuable input on the dramatic presentations of solos, duets and ensembles, as well as blocking/choreography for some concert pieces. Beginners are encouraged and students who will be out of town for the summer concert are always welcome to participate.

Après Class!

As usual, there will be the famous "sandwich ring" and cookies after class. Eating is, of course, the best part. Let me know if you have special diet needs and I'll endeavor to have some goodies you can eat!
